
Welcome to Gedling & District Indoor Bowls Club

Gedling & District Indoor Bowls Club situated in Carlton approximately 3 miles to the East of Nottingham, has approximately 310 playing members and offers excellent bowling and social facilities. The club was built and opened in 1987 and is one of the finest indoor bowling facilities in the country, with an excellent six rink green, lounge bar and viewing area. We are a mixed club, catering for all ages from 8yrs of age upwards and have facilities for all abilities. Whether you are looking to take up the game of bowls, or are an experienced bowler, we warmly welcome you to our club. We offer any prospective member a one hour taster session free of charge to try before you even think of joining us. Bowls is a highly social activity which can be enjoyed by everyone regardless of what level of skill they wish to aspire to. Some members enjoy just casual play and a drink with friends, some enjoy friendly matches against other clubs whilst others compete in Club, County and National Competitions. The choice is yours, there is a format to suit you whatever your preference.. Our club is open all the year round and we offer a full and comprehensive bowls programme in the winter months, which include casual play, roll ups, internal leagues, club competitions, Inter club matches, county competitions, county games and for the more competitive bowler National Competitions. We have hosted National Finals for the English Indoor Bowling Association and regularly host Disability Bowls England matches, together with training weekends and competitions for disabled bowlers.
