

Club Leagues

We have a variety of Men's, Ladies, Mixed and Open Leagues available for members to play in. Members can either form their own team or join an already established team.

Members of current teams can check out the latest league table by selecting the appropriate league from the drop down menu on the previous page.
To find out what leagues are available, see the table below.

Leagues run in the Winter season from (September - April) and Summer season (May - August), commencing at 10.30am with the final league finishing at 8.30p.m.

Different Leagues appeal to a broad cross section of members and there is something for everyone to enjoy.
