SEPTEMBER 2022

Gedling and District Indoor Bowls Club

Hello Everyone

A very warm welcome back to all our members, current and new.

Management AGM

There was a good turnout for the Management A.G.M. which was held at the beginning of September. The first one since 2019. With good constructive questions and answers in our Open Forum after the close of the meeting.

At this juncture we think it's a good time to answer the question, which is often asked, why do we hold two AGM's? The one which is held prior to the beginning of the season is the Management AGM. The Management Committee are responsible for all financial aspects of the running of the club.

For your information members of the Management Committee are:

Jan Poyser	Company Secretary
Kath Smith	Chair
Carole Andrews	
Claire Moore	
Margaret Smith	
John Newham	
Steve Parnham	

To assist them in the running of everything regarding the actual playing of bowls, the Bowls Committee was formed from the inception of the Club and their job is the smooth running of the leagues and any competitions held. The Bowls Committee AGM is held at the end of March. Any concerns or suggestions regarding the actual game should be brought to their attention. In the event of instances not being resolved the Management Committee have the final say.

For your information members of the Bowls Committee are:

Carole Andrews	Secretary/Ladies Vice Captain
John Allen	League Secretary
Pam Moore	Fixtures Secretary
Kath Smith	Ladies Captain
Jez Towle	Men's Captain
Thomas Towle	Men's Vice Captain
Dave Hill	Ad-hoc Member

I hope that this clears things up a little, but it is important wherever possible that you try and attend both these meetings.

New Members

As mentioned at the beginning we have several new members, which is great for the club. Thank you to those members who have been proactive in recruiting them.

Thanks to all Team Captains who have again entered their regular teams and in some case added new teams.

100 Club

The 100 Club is running again this year and there are still a few numbers available, this is a successful way of raising money and gives you the chance to win some, all for £15 for the season. Those who previously had numbers but have not yet had the chance to renew them please see Jan . We can then display the number sheet on the board.

Disability Bowls

Disability Bowls are again taking part in The Plant Welding Triples on the 1/2 October ten teams are scheduled to be taking part over the weekend. It is well worth a visit to see these very capable bowlers. This event is sponsored by a local company who have done so over a number of years.

Nationals

Our first National Team game (Top Club) takes place at home on 9 October at 10:00 am. It would be really appreciated if you could spare some time to come and support your club against some very strong opposition from Nottingham I.B.C.

Availability sheets for all National and Inter Club Team games are displayed on the notice boards on the left-hand side as you come down the ramp. Every club member is entitled to put their name down for selection.

Friendlies/Club Competitions

Friendly game sheets will also be displayed here. For those who regularly support us, but are not members you are eligible to put your name down for these friendly games.

Club Competitions will also be going ahead again this year. They are open to all members and once again are a great source of revenue for the club. If you have not entered before why not have a go. Nothing ventured, nothing gained.

Website

Just a reminder about the website where you can find current information on the home page, past newsletters and league position/match results. The website address is www.gedlingibc.co.uk.

Once again thank you for your continued support for Gedling IBC it is really appreciated by both committees, and we look forward to catching up with you over the next few weeks.

Thank you.

Kath Smith

Carole Andrews
